

**REMARKS**

Claims 6 and 13 remain in this application. Claim 4 has been canceled without prejudice or disclaimer.

The Office Action of June 13, 2006, indicates that claim 13 is allowed, and the Advisory Action of August 23, 2006, states that claim 6 is allowable. Accordingly, all remaining claims of this application are in condition for allowance.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. Also, no amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Commissioner is hereby authorized to deduct any additional fees arising as a result of this response, including any fees for Extensions of Time, or any other communication from or to credit any overpayments to Deposit Account No. 50-2117.

It is submitted that the claims clearly define the invention, are supported by the specification and drawings, and are in a condition for allowance. Applicants respectfully request that a timely Notice of Allowance be issued in this case. Should the Examiner have any

questions or concerns that may expedite prosecution of the present application, the Examiner is encouraged to telephone the undersigned.

Respectfully submitted,  
Hill, Thomas C., et al.
